

BIOTECHNOLOGY & HEALTH TECH Products Development Proposal

Pesewa ONE is a leading business incubator for Africa's businesses. The Pesewa franchise program launched in 2022 also makes Pesewa ONE a Gateway to Africa for global businesses seeking to reach the vast African market. As of September, 30, 2023, we had 103 incubatees under various sector industries; 6,235 businesses mapped out in 3 African countries (i.e. Ghana, Nigeria and Benin) and 9 Franchises.

Our mission is to Build Africa's Businesses through Entrepreneurship, People, Partnerships, Platforms & Investments.

Pesewa ONE's Franchise Program provides business services to large and medium scale businesses, young startups, small businesses and informal sector businesses. Our services include incubation, marketplaces, aggregation, funding, facilitation, management, sales, jobs and technology platform solutions. The goal of Pesewa ONE is to be present in 10 African countries through 200 Franchisees; providing our services to 1 million African businesses by 2027.

INTRODUCTION

The biotechnology and health tech sector play an instrumental role in shaping the future of healthcare and medicine, offering life-saving innovations, improved patient care, and cutting-edge diagnostic tools. In this dynamic landscape, marked by rapid scientific advancements, evolving healthcare needs, and the increasing demand for efficient and innovative biotech and health tech solutions, the ability to adapt, innovate, and provide differentiated products is paramount. Our proposal introduces a strategic product offering designed to address the unique challenges faced your company.

Our proposed products are grounded in several pivotal objectives:

Innovative Biotechnology and Health Tech Solutions: We have developed a suite of advanced products and services that empower your biotechnology and health tech operations to excel in delivering advanced diagnostics, life science innovations, medical devices, and integrated health tech platforms to enhance the quality and efficiency of biotech and health tech operations.

Patient-Centric Approach: Our product offerings are designed with patients and healthcare professionals in mind. We create solutions that cater to the specific needs, preferences, and objectives of healthcare providers, patients, and medical institutions, aligning your services with their unique biotechnology and health tech requirements and healthcare aspirations.

Operational Excellence: Our products aim to streamline medical innovation, reduce time-to-market for healthcare solutions, enhance the patient experience, and improve the overall efficiency of biotechnology and health tech processes, allowing you to operate seamlessly and deliver timely, cost-effective biotech and health tech solutions.

Cutting-Edge Technology Integration: Recognizing the importance of staying at the forefront of healthcare technology, our products prioritize the incorporation of the latest scientific and medical advancements, including genomics, telemedicine, AI-driven diagnostics, and wearable health tech, ensuring that your biotech and health tech services remain innovative and competitive.

Customization and Branding: We offer options for customization and branding of the biotechnology and health tech tools to meet the specific needs, vision, and branding of your company.

This proposal presents an exceptional opportunity for your company to solidify its position as a leader in the biotechnology and health tech industry, devoted to innovation, operational excellence, and patient-centered solutions. We eagerly anticipate the potential to engage in

discussions, address any inquiries you may have, and explore how our partnership can elevate your biotechnology and health tech offerings to new heights of success.
