**Pesewa ONE offers other key general services including:**

- *Incubation.* We offer incubation services to nurture and foster the growth of early-stage startups. This involves providing trademark & licensing services, mentorship, access to resources, and guidance on various aspects of business development. Incubation helps our startups refine their business ideas, develop their products or services, and build a strong foundation for growth & sales.
- *Marketplaces.* We operate various marketplace platforms that serve for businesses to market and sell their products or services. These marketplaces are both online and physical, depending on the specific needs of the businesses involved. We provide these service to, through and on behalf of our businesses for a variety of goods and services.
- *Aggregation.* Aggregation services involve bringing together various businesses or products under a single umbrella. Pesewa ONE aggregates goods or services from multiple providers to create economies of scale, negotiate better deals with suppliers, and offer customers a wider range of choices.
- *Funding.* Access to capital is crucial for business growth. We facilitate funding opportunities for startups and businesses by connecting them with investors, venture capitalists, or providing access to financing options such as loans or grants. This service helps businesses secure the necessary capital to expand their operations.
- *Facilitation.* Facilitation services involve streamlining processes and procedures to make it easier for businesses to operate efficiently. We offer training and support in areas such as compliance, regulatory affairs, and supply chain management to help businesses navigate complex operational challenges.
- *Management.* Effective business management is essential for sustainable growth. Pesewa ONE provides management consulting services to help businesses optimize their operations, streamline workflows, and implement best practices. This service helps businesses achieve operational excellence.
- *Sales.* Sales services offered by Pesewa ONE includes sales training, lead generation, and marketing support. Helping businesses improve their sales strategies and execution can lead to increased revenue and market share
- *Jobs.* We also play a role in job creation by facilitating employment opportunities through the businesses we support. This includes connecting job seekers with businesses in need of skilled employees or assisting businesses in their hiring processes.
- *Technological Solutions.* In today's digital age, technology plays a crucial role in business success. Pesewa ONE offers technology platform solutions, including software development, IT infrastructure support, and digital marketing services. These solutions help businesses leverage technology to enhance their competitiveness and efficiency.

Overall, Pesewa ONE offers a comprehensive suite of services designed to support businesses at various stages of their development, from startup incubation to ongoing operational support, with a focus on facilitating growth, fostering innovation, and creating economic and commercial opportunities.
