

ROBOTICS & AUTOMATION Products Development Proposal

Pesewa ONE is a leading business incubator for Africa's businesses. The Pesewa franchise program launched in 2022 also makes Pesewa ONE a Gateway to Africa for global businesses seeking to reach the vast African market. As of September, 30, 2023, we had 103 incubatees under various sector industries; 6,235 businesses mapped out in 3 African countries (i.e. Ghana, Nigeria and Benin) and 9 Franchises.

Our mission is to Build Africa's Businesses through Entrepreneurship, People, Partnerships, Platforms & Investments.

Pesewa ONE's Franchise Program provides business services to large and medium scale businesses, young startups, small businesses and informal sector businesses. Our services include incubation, marketplaces, aggregation, funding, facilitation, management, sales, jobs and technology platform solutions. The goal of Pesewa ONE is to be present in 10 African countries through 200 Franchisees; providing our services to 1 million African businesses by 2027.

INTRODUCTION

The robotics and automation sector is a driving force behind the future of industrial processes, enabling precision, efficiency, and automation in a wide range of industries, from manufacturing to healthcare. In this dynamic landscape, marked by the pursuit of operational excellence, evolving automation needs, and the increasing demand for efficient and innovative robotics and automation solutions, the ability to adapt, innovate, and provide differentiated products is paramount. Our proposal introduces a strategic product offering designed to address the unique challenges faced by your company.

Our proposed products are grounded in several pivotal objectives:

Innovative Robotics and Automation Solutions: We have developed a suite of advanced products and services that empower your robotics and automation operations to excel in delivering robotic systems, automation tools, intelligent algorithms, and integrated automation platforms to enhance the quality and efficiency of robotics and automation operations.

Industry-Centric Approach: Our product offerings are designed with various industries in mind. We create solutions that cater to the specific needs, preferences, and objectives of manufacturing, healthcare, logistics, and other sectors, aligning your services with their unique robotics and automation requirements and automation goals.

Operational Excellence: Our products aim to streamline industrial processes, reduce human error, enhance precision, and improve the overall efficiency of automation processes, allowing you to operate seamlessly and deliver timely, cost-effective robotics and automation solutions.

Cutting-Edge Technology Integration: Recognizing the importance of staying at the forefront of robotics and automation technology, our products prioritize the incorporation of the latest advancements, including AI-driven robotics, collaborative automation, advanced control systems, and IoT-driven automation, ensuring that your robotics and automation services remain innovative and competitive.

Customization and Branding: We offer options for customization and branding of the robotics and automation tools to meet the specific needs, vision, and branding of [Robotics and Automation Company].

This proposal presents an exceptional opportunity for your company to solidify its position as a leader in the robotics and automation industry, devoted to innovation, operational excellence, and industry-specific solutions. We eagerly anticipate the potential to engage in discussions, address any inquiries you may have, and explore how our partnership can elevate your robotics and automation offerings to new heights of success.

Thank you for considering our proposal. We look forward to the potential collaboration with you in crafting a product line that sets new standards in robotics and automation solutions, innovation, efficiency, and industrial transformation.

Product	Description	Costs	Tick to Choose
International Collaborations	Join our Business-as-ONE program to partner with our Global Anchor Partners	Free to sign up	<input type="checkbox"/>
Work with Students	Through our SMART Platform you can work with young and inventive students on your solutions	Pay per play (Commissions to be agreed)	<input type="checkbox"/>
Compliance Services	Receive regular regulatory compliance support	\$250 annual fee	<input type="checkbox"/>
Management Support	Conduct market research, brand book designing and social media marketing	Various rates	<input type="checkbox"/>

Pesewa ONE offers other key general services including:

- *Incubation.* We offer incubation services to nurture and foster the growth of early-stage startups. This involves providing trademark & licensing services, mentorship, access to resources, and guidance on various aspects of business development. Incubation helps our startups refine their business ideas, develop their products or services, and build a strong foundation for growth & sales.
- *Marketplaces.* We operate various marketplace platforms that serve for businesses to market and sell their products or services. These marketplaces are both online and physical, depending on the specific needs of the businesses involved. We provide these service to, through and on behalf of our businesses for a variety of goods and services.
- *Aggregation.* Aggregation services involve bringing together various businesses or products under a single umbrella. Pesewa ONE aggregates goods or services from multiple providers to create economies of scale, negotiate better deals with suppliers, and offer customers a wider range of choices.
- *Funding.* Access to capital is crucial for business growth. We facilitate funding opportunities for startups and businesses by connecting them with investors, venture capitalists, or providing access to financing options such as loans or grants. This service helps businesses secure the necessary capital to expand their operations.
- *Facilitation.* Facilitation services involve streamlining processes and procedures to make it easier for businesses to operate efficiently. We offer training and support in areas such as compliance, regulatory affairs, and supply chain management to help businesses navigate complex operational challenges.
- *Management.* Effective business management is essential for sustainable growth. Pesewa ONE provides management consulting services to help businesses optimize their operations, streamline workflows, and implement best practices. This service helps businesses achieve operational excellence.
- *Sales.* Sales services offered by Pesewa ONE includes sales training, lead generation, and marketing support. Helping businesses improve their sales strategies and execution can lead to increased revenue and market share
- *Jobs.* We also play a role in job creation by facilitating employment opportunities through the businesses we support. This includes connecting job seekers with businesses in need of skilled employees or assisting businesses in their hiring processes.
- *Technological Solutions.* In today's digital age, technology plays a crucial role in business success. Pesewa ONE offers technology platform solutions, including software development, IT infrastructure support, and digital marketing services. These solutions help businesses leverage technology to enhance their competitiveness and efficiency.

Overall, Pesewa ONE offers a comprehensive suite of services designed to support businesses at various stages of their development, from startup incubation to ongoing operational support, with a focus on facilitating growth, fostering innovation, and creating economic and commercial opportunities.
